Label all items with the student's name									
Throughout the year specific supplies may be required for projects. Teachers will communicate specific requirements as needed.									
**Students will be provided with a Bible for classroom use. Kindergarten to Grade 4 classrooms each have a class set of Bibles. Students in grades 5 though 8 are issued an individual Bible for use at school. At the end of Grade 8 each student can take the Bible home for use in high school.									
Students may need access to a French English Dictionary, English Dictionary and a Thesaurus at home. These items will be made available to students at school as needed. As such, students do not need to bring these items to school.
